If there is one thing that we all have in common, especially in Southern California, it’s the automobile.

To some the automobile is an appliance, but to us it is a passion. The Petersen Automotive Museum has been celebrating this passion since 1994. A large part of The Museum’s focus is to collect and preserve historic vehicles, and a great deal of importance was placed from day one on acquiring a great number of significant vehicles. Join this self-guided tour of the auto’s evolution then enjoy Lunch on-your-own at the Farmers Market or Grove.

The bus will leave at 9:00 am and return approximately 3:00 pm.
Total cost for this event is $55.00. Registration begins Monday, January 18th by calling: (805) 437-8583. Clearly leave your name and telephone number and someone will call you back to confirm.
