Open University provides an opportunity for those people who are not currently admitted to California State University Channel Islands (CI) to enroll in courses offered by the regular University.

Begin Working Towards a Degree: Have you missed the deadline for admission? Do you want to improve your grade point average to better qualify for admittance?

Sample a Field or Possible Career: Are you thinking of a career change? Do you want to examine a new field before enrolling in a degree program?

Professional and Personal Enrichment: Do you want to update your professional training in specific fields? Interested in learning more about a particular subject for your own personal growth? CSU Channel Islands’ Open University program allows enrollment in regular University credit classes on a “space available” basis, subject to the approval of the instructor and Extended University. Check the CI Schedule of Classes for class meeting times and location. The registration process is easy. Admission to the University is not required, and the same fees apply to everyone.

LIMITATIONS
We cannot guarantee a space nor assure you will be permitted to enroll in any class. Instructors are not required to accept Open University students even if space is available.

Open University is NOT Available to:
- Matriculated students (those admitted for the current semester)
- Non-matriculated international students with a score of less than 450 on the TOEFL examination or its equivalent

Students may apply up to 24 units of Extended University Credit toward a baccalaureate degree. At the option of the program chair, up to six units of Extension Credit may be applied to a graduate degree. Grades received through this program will be factored into your grade point average at CI.
