NOTE: The language requirement area and American Institutions area are requirements that must be completed for graduation. If not already completed you will need to complete these requirements at the community college of your choice. Please review your CI Academic Requirements Report (CARR), through myCI and selecting CI Records, to evaluate what requirements have been met, are in progress, or missing, or contact your program advisor.

BS Health Science Online *Roadmap*

- NOTE: Academic roadmaps provide a recommended full-time pathway for completing your degree. While they are designed to support timely degree completion, they are not the only way to complete your program. Students who wish to follow a different schedule should meet with their program director or academic advisor to develop a customized degree completion plan.
