

## HEALTH SCIENCE ONLINE ROADMAP: Fall Start

This roadmap shows degree progression assuming the student has been accepted with 60 units and therefore needs to complete a total of 60 units which include 33 units of upper division core courses + 12 units of electives + 15 units in additional electives. Students who transfer 70 units will only need to complete 5 units in additional electives.

FALL YEAR ONE: SESSION ONE					FALL YEAR ONE: SESSION TWO				
Subject	Course #	Course Title	Units	GE/GRAD Area	Subject	Course #	Course Title	Units	GE/GRAD Area
HLTH	102	Community Health	2		ANTH	443	Medical Anthropology	3	UDGE D & multicultural
HLTH	307	Bioethics	3		HLTH	490	Special Topics	3	
* POLS	150	American Political Institutions	3	CSU REQ: CA Local & State Govt					
<b>UNIT TOTAL:</b>			<b>5 TO 8</b>		<b>UNIT TOTAL:</b>			<b>6</b>	
<b>Fall One Considerations</b>		This two-year roadmap assumes that Lower Division Major Requirements have been completed. If American Institutions have not been met, the recommendation is to complete in year one (fall and spring). Elective units are taken as needed, determined by the number of units transferred upon admission.							

SPRING YEAR ONE: SESSION ONE					SPRING YEAR ONE: SESSION TWO				
Subject	Course #	Course Title	Units	GE/GRAD Area	Subject	Course #	Course Title	Units	GE/GRAD Area
HLTH	300	Nutrition, Exercise, and Wellness	3		HLTH	301	Public Health Administration	3	
HLTH	348	Healthy Aging	3		HLTH	308	Health Law	3	*Elective
* HIST	Student Choice	US History	3	CSU REQ: US History					
<b>UNIT TOTAL:</b>			<b>6 TO 9</b>		<b>UNIT TOTAL:</b>			<b>6</b>	
<b>Spring One Considerations</b>		* Choose one: HIST 270, 271, 272, 275, 350 or Free Elective, if not already completed at community college. Elective units are taken as needed, determined by the number of units transferred upon admission. Elective units are taken as needed, determined by the number of units transferred upon admission.
