MHA, Healthcare Administration Masters

Roadmap

Fall 2026 Start

Admitted students who do not have prior healthcare related experience or healthcare related undergraduate degrees will be required to take MHA 512 as a required elective for graduation, as outlined by the letter of acceptance on admission. Meet with your program director for specific questions or concerns about your individualized course roadmap. The Graduate Certificate in Gerontology requires the following elective courses be selected: GERO 500, GERO 501, and either GERO 502 or GERO 503.
