ADN Degree Completion and CA RN License:

Required

Completion of ADN degree and California RN license are required for graduation.

Up to 20 upper-division units are granted upon passing the NCLEX-RN. Submission of official transcripts and license verification to CSU Channel Islands is required. In your Degree Progress Report (DPR), this will show as "NRS NCLEX Exam Credit" once posted.

HELPFUL INFORMATION & CONTACTS

This plan serves as a guide to your degree progress and is subject to change based on course offerings and instructor availability. Please refer to the **program catalogs and academic roadmaps** available on the [BS Nursing Program Information page](#) for the most up-to-date curriculum details.

For questions about major requirements, contact Program Chair Dr. Neomie Congello (neomie.congello@csuci.edu). Review your **Degree Progress Report (DPR)** in CI Records to confirm which requirements have been met, are in progress, or remain outstanding.

California RN License Verification: After receiving your California RN license, email a **screenshot or PDF** of your license verification from the California Department of Consumer Affairs (DCA) License Search (<https://search.dca.ca.gov/>) to registrar@csuci.edu using your **CSUCI student email account**. Please include your **student ID number** in the email. The verification must clearly display your **name, license type (Registered Nurse), Primary Status: Current, issuance date, and expiration date**. Once verified and posted to your academic record, your Degree Progress Report (DPR) will show "**NRS NCLEX Exam Credit**."

ACADEMIC ADVISING & PROGRAM SUPPORT

Program Chair

Program planning, major requirements, academic questions

Dr. Neomi Congello - neomie.congello@csuci.edu

Nursing Program Support

Non-academic nursing questions, including clinical placement, documentation, and uniforms

nursing@csuci.edu
