

Bachelor of Arts **PSYCHOLOGY** Degree Completion Program

Evening and weekend classes
for working adults in Santa Barbara

CSUCI's Bachelor of Arts in Psychology

Degree Completion Program exposes students to all major areas of psychology

Through a required sequence of core courses. This coursework results in students with broad foundational knowledge and methodologies widely applied within and outside of the discipline. Students learn both theory and application and afforded opportunities to work alongside faculty on research projects such as emotion and physiological hallmarks, social cognition, hope and well-being, and positive psychology.

CSUCI's BA Psychology degree completion program allows students to experience the intersection of psychology with other disciplines, closely following how psychology is understood and practiced in the world at large. Alumni are well prepared to enter into graduate programs such as a Master's degree in Family Therapy or Social Work, Juris Doctor (JD), and doctoral programs in Psychology.

Prepare for a better future

It's hard to imagine a field that is more intriguing and compelling or one that provides more valuable life skills.

BA Psychology Curriculum

Degree Completion	50 units
Transfer courses	70+ units
Degree Total	120+ units
Core Courses	28 units
Electives	13 units
General Education	9 units*

**Required upper division general education courses, taken in residence*

CSUCI offers 50 upper division units, including general education and a course that fulfills the multicultural requirement, within the program. Students may concurrently enroll at the community college to complete lower division coursework necessary for the degree as long as they meet the minimum for transfer. Advising is available to help keep students on track for graduation.

A schedule that fits your life

“Going back to school was a bit intimidating but the faculty has made the experience much easier than anticipated. Hearing faculty stories and having them be so personable has made the challenge of finishing school less threatening.”

Brian Bruer
BA Psychology
Alumnus
Class of 2018

CALIFORNIA STATE UNIVERSITY

Admissions

Applications accepted for fall admission only.

Application Period: Fall October 1– May 1

Speaking with a program representative is the first step in the admission process. We will provide you with all of the information needed, including a preliminary evaluation of transcripts and work experience, to help you make a decision and move ahead.

Applicants must have a 2.0 minimum GPA from their transfer institution and have completed 70 semester/105 quarter transferable units to complete the degree. Also, the following are required:

- Completion of the “Golden Four” (A1, A2, A3, B4) general education classes with a C- grade or higher.
- Good standing at the last institution attended
- Grade C or higher in Psychology major prerequisites

International Applicants

Due to the number of units offered per semester, this program is not open to international applicants.

Visit international admission website at go.csuci.edu/intl.
